

Driver Appreciation Week

September 10th-16rd, 2023

Every day we appreciate all that our drivers do every single day but there is one week out of the year that is 100% dedicated to them. Driver Appreciation Week! Over the previous years, the biggest issue of this week was that alot of our drivers weren't able to actually enjoy their week. This is because they on on the road every day to ensure that we have the necessities that we need to survive.

Keeping that in mind, this year we did things a little bit differently. Each of our drivers received a goodie bag that included a specialized t-shirt, a custom puzzle book, a giftcard to the Sweet Shop, Sunglasses (provided by Fully Promoted in Grand Rapids) and many other various trinkets.

Along with their goodie bags, Sweet also purchased over 20 giveaway prizes that were given away at random! Some of the prizes given away were Garmins, portable leaf blowers, bomber jackets, blue tooth headsets and more!

THANK YOU!

Driver Appreciation is not just for one week, but every single day. To break it down that 8,760 hours of appreciation (how many hours in a year) It is our drivers that are the backbone of Sweet Express and our entire country. Without you, we wouldn't receive medical supplies, food, gasoline and all supplies/goods that we need to survive every single day.

Please enjoy this goodie bag in our appreciation of all of your hard work!

2023 SAFEST DRIVERS
